of Biosphere Sciences and Engineering,  
Carnegie Institution for Science

# Microbiome research as a biosocial endeavour

Margaret Mc-Fall Ngai will discuss with ERC HealthXCross team members the interface between the social and biological dimensions of contemporary microbiome research. This discussion will lay ground for future interdisciplinary collaborations.

This project has received funding  
from the European Union's  
Horizon 2020 Research and  
Innovation Programme (GA n.  
949742 ERC-HealthXCross)
