Department of Political Sciences
Piazzale Aldo Moro no.5 - 00185 Rome.*

In collaboration with

The annual conference of the Association for the Study in Italy of Central Asia and the Caucasus (Asiac), now in its 17th edition, aims to foster the scientific dialogue between scholars working on these areas, from Italy as well as from abroad. This year, the conference will host a special section dedicated to the topic of “Humans and the Environment in Eurasia”, in which contributors explore the role of the environment in Eurasian societies through the lenses of history, linguistics, sociology, politics, literature, art, or area studies.

The XVII ASIAC Annual Conference is organised by the Association's board of directors (Aldo Ferrari, Carlo Frappi, Frank Maracchione, Gabriele Natalizia, Giorgio Comai, Giulia Sciorati, Elisabetta Ragagnin, Velizar Sadovski, Anna Sirinian) in cooperation with Andrea Carteny, Sapienza University of Rome.

The conference is realized in cooperation with the Department of Political Sciences of Sapienza University of Rome, The International Association for Mediterranean and Oriental Studies (ISMEO), the Observatory on Central Asia and the Caspian, and with the support of Geopolitica.info.
