

Early Ethnographers in the Long Nineteenth Century Research Project

It is our great pleasure to share the program of the Early Ethnographers in the Long Nineteenth Century Research Project, coordinated by our esteemed colleagues Han F. Vermeulen (Max Planck Institute for Social Anthropology, Halle), Fabiana Dimpflmeier (G. d'Annunzio University of Chieti - Pescara) and Maria Beatrice Di Brizio (MODI - University of Bologna).

The program is available in the attachment and also at Flipbook, [here](#).

With all our best,
Hande, Katja, Udo and Marko
