

TiPS Inaugural Lecture Year Two

13 October 2025, 4.00-5.30 PM
Sala Conferenze, ground floor
Palazzo Cosulich, Fondamenta Zattere
Dorsoduro 1405, Venice

Peter L. Galison

Joseph Pellegrino University
Professor, Harvard University

*Author Function
in Scientific Collaboration:
Around the Event Horizon*

Chair: Dr. Matteo Vagelli

What is scientific authorship when science takes thousands? From the Event Horizon Telescope's flat network to the Black Hole Explorer's hierarchy, contrasting collaborations illuminate how different scientific cultures—and the plurality of ways of observing nature—shape the production of knowledge in today's physical sciences.
